THINK **BIGGER**

THINK OF A SPACE THINK OF A PROJECT THINK OVER THINK BIGGER

Grandi sogni, grandi spazi, grandi idee. Gli orizzonti si moltiplicano, la creatività prende vita, la materia si amplifica. Un progetto che offre prospettive uniche e innovative, dove le grandi dimensioni si sposano con superfici evolute e dove il "normale" è "extra-dimensionale". Tutto questo è THINK BIGGER.

Big dreams, big spaces ad big ideas. The horizons are multiplied, creativity comes to life and material is amplified. A project that offers unique and innovative perspectives, where large surfaces are combined with state-of-the-art surfaces and where "normal" means "extra-dimensional". All this is THINK BIGGER.

De grands rêves, de grands espaces, de grandes idées. Les horizons se multiplient, la créativité prend vie, la matière s'amplifie. Un projet qui offre des perspectives uniques et innovantes, où les grandes dimensions épousent des surfaces évoluées et où le "normal" est "hyper dimensionnel". Tout cela est THINK BIGGER.

Große Träume, große Räume, große Ideen. Die Horizonte multiplizieren sich, die Kreativität entsteht, die Materie erweitert sich. Ein Projekt, dass einzigartige und innovative Perspektiven bietet, in dem sich die großen Abmessungen mit fortschrittlichen Flächen vereinigen und das "Normale" "Übergröße" bedeutet. All das ist GRÖßER DENKEN.

Большие мечты, большие пространства, большие идеи. Границы раздвигаются, творчество приобретает жизнь, материя расширяется. Этот проект предлагает уникальные, инновационные перспективы, в нем большие размеры сочетаются с усовершенствованными поверхностями и «обычное» приобретает «экстремальные» размеры. Все это - THINK BIGGER.

Wärme und authentische Materie. Zeitgenössische Wesentlichkeit und Strenge. Der aktuellste Ausdruck des Holzes findet über die "Tafeln" mit einer Länge von 240 cm und einer Stärke von 6,5 mm seinen Platz. Sie wurden geschaffen, um die gesamte Schönheit und visuelle Durchgängigkeit der Maserungen und Ästigkeiten, welche die leicht in fünf Naturtönen angeschliffenen Flächen durchqueren, zu bewahren und hervorzuheben. Sie geben ein Gefühl einer großen Vertrautheit und Harmonie zurück.
